# *Hydrogen Energy Ministerial Meeting (“HEM”)*

41st IPHE Steering Committee Meeting

19 - 20 March 2024

New Delhi, India

# HEM 2024 – under consideration

## 1. Date

- TBD (Late September or October in 2024)

## 2. Venue

- TBD (potentially outside Japan at an event where more ministers' attendance is expected)

## 3. Chair's summary

- Tentative items include:
  - To build resilient hydrogen supply chain not dependent on specific countries
  - To increase demand of low-carbon and renewable hydrogen and its derivatives
  - To develop balanced requirements on green hydrogen such as additionality, temporal correlation, and geographic correlation
  - To potentially revisit the “ten-ten-ten” target

The logo for H2EM is displayed in large, bold, blue letters. The 'H' and 'E' are connected by a blue infinity symbol, and the '2' is a smaller blue number between the 'H' and 'E'. The 'M' is a large, solid blue letter to the right.

# Thank you
